SUMMARY

Results-oriented Full Stack Web Developer with a successful 15-year career as a Barber. Combining a deep understanding of client needs and a meticulous attention to detail, I have honed my problem-solving and creative skills to deliver exceptional grooming services. Eager to leverage my experience and passion for technology, I have made a successful transition to the field of web development. With a strong foundation in coding languages and frameworks, I excel at designing and implementing user-friendly applications. Known for my strong work ethic, adaptability, and commitment to continuous learning, I am ready to bring my expertise and enthusiasm to a new career as a Full Stack Web Developer.
